

I Didn't Mean To

Lyn Saga

I didn't mean to stumble out your door
The morning after too much alcohol
I didn't mean to wake up on the floor
Not knowing what I did the night before

I didn't mean to lie about that night
When you were out of town and out of sight
I didn't mean to be such a big mess
And wake up in a strange place barely dressed

(I did not mean to
Waste my life
Being young and bored not knowing what I should do
I did not mean to
Ever hurt you
I didn't mean to
I didn't mean to)

I didn't mean for you to fall so hard
When I pushed you down and broke your heart
I didn't mean to be out of control
Is it even worth it anymore

(chorus)
