

Candy Carol

Book of Love

Sugar lips
Caroling
Caroling
Help renew our faith
Sugar lips
Just like candy to our eyes
Angels we have heard on high
Sweet to the taste
Sugar lips
Frangiapani operandi landSugar lips
Caroling
Frangiapani operandi land
Just like candy to our ears
Caroling
Help renew our faith
Angels we have heard on highSweet to the taste
Sugar lips
Sugar lips
