Sanctuary

Sam Shrieve

I donâ€™t know
Where to go
Youâ€™re everything
Iâ€™ve ever known
Donâ€™t you stay
Another day
Iâ€™ve nothing
Left to say

You were my
Sanctuary donâ€™t you know?
But Iâ€™ll be alright
On my own

You have run
From everyone
And everything
Youâ€™ve become
Now you see
What used to be
Between
You and me

You were my
Harmony donâ€™t you know?
But Iâ€™ll be alright
On my own

Now you, and I
Can try, to say
Goodbye

So dry your eyes
Donâ€™t you cry
You and I
Will be just fine

You were my
Sanctuary donâ€™t you know?
But Iâ€™ll be alright

On my own
