

# Ring of Ice

## Jennifer Rush

Ooh-ooh, ooh-ooh-ooh, hah, hah  
Ooh-ooh, ooh-ooh-ooh, hah, hah  
Ooh-ooh, ooh-ooh-ooh, hah, hah  
Ooh-ooh, ooh-ooh-ooh, hahWe lay awake  
    Silent in the dark  
    You don't have to hide the trace  
    Emptiness left its markRing of ice  
    Ring of ice, 'round your heart  
    Ring of ice  
Ring of ice, break apartWe are lonely people  
    Wearin' a ring of ice  
    Dancin' in the night  
    Tryin' to disguise  
    All that lies behind  
    Countless empty lies  
    Wearing a ring of iceI walk alone  
    Searchin' for a sign  
    Someone else must be alive  
    With warmth behind their eyesRing of ice  
    Ring of ice, 'round your heart  
    Ring of ice  
Ring of ice, break apartAll the lonely people  
    Wearin' a ring of ice  
    Dancin' in the night  
    Tryin' to disguise  
    All that lies behind  
    Countless empty lies  
    Wearing a ring of iceOoh-ooh, ooh-ooh-ooh, hah, hah  
    Ooh-ooh, ooh-ooh-ooh, hah, hah  
    Ooh-ooh, ooh-ooh-ooh, hah, hah  
    Ooh-ooh, ooh-ooh-ooh, hahAll the lonely people  
    Wearin' a ring of ice  
    Dancin' in the night  
    Tryin' to disguise  
    All that lies behindSurrounded by a ring of ice  
    Dancin' in the night  
    Tryin' to disguise  
    All that lies behind  
    Surrounded by a ring of ice

Dancin' in the night  
Tryin' to disguise  
All that lies behind  
Surrounded by a ring of ice
