

# Brave New Girl

## Mozzy Lane Band

She's gonna pack her bags  
She's gonna find her way  
She's gonna get right out of this  
She don't want New York  
She don't want L.A.  
She's gonna find that special kiss  
She don't want no sleep  
She don't want no high  
Oh, like peaches 'n' cream  
She's gonna wish on stars and touch the sky  
Ah, you know what I mean  
She wants a good time  
No need to rewind  
She needs to really really find  
What she wants  
She lands on both feet  
Won't take a back seat  
There's a brave new girl  
And she's comin' out tonight  
She's gonna step outside  
Uncover her eyes  
Who knew she could feel so alive  
Her M.O.'s changed  
She don't wanna behave  
Ain't it good to be a brave girl tonight  
Tonight, it's alright  
A brave girl tonight  
So she met this man  
He was kinda rough  
He said, "Girl, whatcha lookin' for?"  
She said, "I don't know"  
"I go with the flow"  
He said, "Let's get on the floor"  
He said, "You look real cute with your low ride jeans"  
"And your pink little baby tee"  
"Let's get a room, girl"  
"Come and ride with me"  
She wants a good time  
No need to rewind  
She needs to really really find  
What she wants  
She lands on both feet  
Won't take a back seat  
There's a brave new girl  
And she's comin' out tonight  
She's gonna step outside  
Uncover her eyes

Who knew she could feel so alive  
Her M.O.'s changed  
She don't wanna behave  
Ain't it good to be a brave girl tonight  
    Tonight, it's alright  
    A brave girl tonight  
    Tonight, it's alright  
A brave girl tonightShe could feel so aliveShe's gonna step outside  
    Uncover her eyes  
Who knew she could feel so alive  
    Her M.O.'s changed  
    She don't wanna behave  
Ain't it good to be a brave girl tonight  
    Tonight it's alright  
A brave girl tonightTonight, it's alright  
    A brave girl tonight  
    A brave girl tonight  
    A brave girl tonight  
    A brave girl tonight  
    A brave girl tonight
