

True Grit

[Glen Campbell](#)

One day, little girl, the sadness will leave your face
As soon as you've won you'll fight to get justice done
Some days little girl you'll wonder what life's about
But other's have known few battles are won alone
So, you'll look around to find
Someone who's kind, someone who is fearless like you
The pain of it will ease a bit
When you find a man with true grit One day you will rise and you won't believe your eyes
You'll wake up and see
A world that is fine and free
Though summer seems far away
You will find the sun one day Though summer seems far away
But you'll find the sun one day
