## Revenge

## **Black Flag**

Spoken:

It's not my imagination I've got a gun on my back!Promises you made Never become factWe're gonna get revenge You won't know what hit you We're tired of being screwedDon't tell me about tomorrow Don't tell me what I'll get I can't think of progress when Just around the corner There's a bed of cold pavement Waiting for meRevenge! I'll watch you bleed Revenge! That's all I'll needI won't cry if you- die! die! We're gonna get revenge You won't know what hit you We're tired of being screwedRevenge! Revenge!!!
