

Into Ya

Jesse McCartney

Advisory - the following lyrics contain explicit language:

If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
Get up in my canopy
Bring that over here, girl, and talk to me
While you on your back, I'ma touch you slowly
Keep you paralyzed so you barely move
Feel like I just struck gold, you a fantasy
So tell me what's the business, babe?
Got me about to pop, genie in a bottle
Let's make a toast 'cause I'ma cherish you
Now girl, it's your turn to take the reins
Now show me what you gonna do
'Cause girl, I got you ready
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
Ah ha, do it, do it
Do it, do it
Do it, do it again
Look at that
Baby, your soft skin is every indication to me
That you need me to hold
Protect you from the cold
And then just sing you to sleep
I got so much love to give
But I ain't found a recipient
Yeah, I can just totally uphold
Everything they told me right before they sex with me
Now girl, it's your turn to take the reins
Now show me what you gonna do
Cause girl, I got you ready, oh
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
If you let me put a lil' into ya

For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
Can't put down, girl, get down
(Help)
It's too late 'cause it's about to go down
Can't put down, girl, get down
(Help)
It's too late 'cause it's about to go down
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
If you let me put a lil' into ya
For so long I've been tryna get into ya
Let me in your brain, I'll be in your heart
I'll be that good thing that you just can't put down
If you let me put a lil' into ya
For so long I've been tryna get into ya
