

# I Wake Up Loving You

## Reckless Sleepers

Now as the automobile lights  
burn through the haze  
I feel like I'm  
swimming for the shore again  
My thoughts a hundred miles away  
My instincts drive  
so my mind can play  
'cause all I got to do now is breathe  
'til I see you  
and scream my sanity

When the night falls down  
my world is on my shoulders  
but I wake up loving you  
And I feel the weight  
I feel it on my shoulders  
'til my sleep can take me  
where I wake up loving you

When the night falls down  
my world is on my shoulders  
but I wake up loving you  
And I feel the weight  
I feel it on my shoulders  
'til my sleep can take me  
where I wake up loving you

Since you invited that your pleasure  
be my pleasure too  
It's more than always  
Desiring a stranger for your fun  
As we stared at the moon in the park  
He hid his face  
behind the fog  
but after standing in your spell awhile  
I'm glad we went along  
that extra mile

When the night falls down  
my world is on my shoulders

but I wake up loving you  
And I feel the weight  
I feel it on my shoulders  
'til my sleep can take me  
where I wake up loving you

When the night falls down  
my world is on my shoulders  
but I wake up loving you  
And I feel the weight  
I feel it on my shoulders  
'til my sleep can take me  
where I wake up loving you

And I'm depending  
on that spell tonight  
to put me forward  
'til I end this ride

When the night falls down  
my world is on my shoulders  
but I wake up loving you  
And I feel the weight  
I feel it on my shoulders  
'til my sleep can take me  
where I wake up loving you

I wake up loving you!  
I wake up loving you...
