Warning Sign

The Clef Hangers

Warning sign, warning sign
I hear but I pay it no mind
Hear my voice, hear my voice
It's saying something and it's not very nice
Pay attention, pay attention
Hope you're through you and I hope you're concentrating
I've got money now, I've got money now
C'mon baby, c'mon baby
Warning sign of things to come
It happened before, it will happen again
Hear my voice, move my hair
I move it around a lot but I don't care
What I remember? Baby remember? What I remember?
What is it?
What I remember? Baby remember? What I remember?
What is it?
Warning sign, warning sign
Look at my hair, I like the design
It's the truth, it's the truth
Your glassy eyes and your open mouth
Take it easy baby, take it easy
It's a natural thing and you have to relax
I've got money now, I've got money now
C'mon baby, c'mon baby
Warning sign of things to come, turn me over, turn me over
Love is here but I guess it's gone now, hurry up babe, hurry up
Hear my voice, move my hair
I move it around a lot but I don't care
What I remember? Baby remember? What I remember?
What is it?
What I remember? Baby remember? What I remember?
Yeah, what is it?
What I remember? Baby remember? What I remember?
What I remember? Baby remember? What I remember?
What I remember? Baby remember? What I remember?
What I remember? Baby remember? What I remember?
