

Four To The Floor

[Starsailor](#)

With hand on heart, you right from the start

You taught me to take my part

No cross to bear, no reason to care

My life was all up in air

Four to the floor, I was sure

Never seeing clear

I could have it all

Whenever you are near

The iron hand did not understand

The plight of the common man

Four to the floor, I was sure

Never seeing clear

I could have it all

Whenever you are near

Four to the floor, I was sure

That she would be my girl

We'd rent a little world

We'd have a little girl

Four to the floor, I was sure

Never seeing clear

I could have it all

Whenever you are near

Four to the floor, I was sure

That she would be my girl

We'd rent a little world

We'd have a little girl

Four to the floor, I was sure

Never seeing clear

I could have it all

Whenever you are near.
