

Lips of an Angel

KIDZ BOP Kids

Honey, why you calling me so late?
It's kinda hard to talk right now
Honey, why you crying? Is everything okay?
I gotta whisper 'cause I can't be too loud Well, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved on It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words it makes me weak And I never wanna say goodbye
But girl, you make it hard to be grateful
With the lips of an angel It's funny that you're calling me tonight
And yes, I've dreamt of you too
And does he know you're talking to me, will it start a fight?
No, I don't think she has a clue Well, my girl's in the next room
Sometimes I wish she was you
I guess we never really moved on It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words it makes me weak And I never wanna say goodbye
But girl, you make it hard to be grateful
With the lips of an angel It's really good to hear your voice saying my name
It sounds so sweet
Coming from the lips of an angel
Hearing those words it makes me weak And I never wanna say goodbye
But girl, you make it hard to be grateful
With the lips of an angel And I never wanna say goodbye
I know you make it hard to be grateful
With the lips of an angel Honey, why you calling me so late?
