

That's My Attitude

Troop

Intro:

That's my attitude

Hello

Who is this

Baby do you realize what time it is

What's up/Nothing's up

I'm asleep

Wait a minute

I thought you weren't talking to me no more

Remember just the other day you were fronting on me

Talking about my head was big now that I'm making records

You now what I'm saying

Oh/ when did you make that change

Well listen/ I got things to do

you know what I'm saying

You got to get off my line

You know/Straight up You say you don't like

The way that I am

Frankly baby

I don't give a damn

After all the things you put me through

I'm not gonna take this

Take this stuff from you You say that you can't believe

That a man could be so rude

Hey baby that's my attitude

You call me up on my phone

Telling me/don't be cruel

Hey baby that's my attitude

You don't understand why I'm acting like this

You want me to sit here and explain why

Listen I'm tired of talking/ Yo Allen I gave you my money

I gave all my time

all you did/was mess around with my mind

then you go and find you another lover

I want you to know/pay-back is a mother Now you wanna come back

But it just isn't like that

Don't think for a minute

Baby, I'm not with it You say that you can't believe

That a man could be so rude

Hey baby that's my attitude
You call me up on my phone
Telling me/don't be cruel
Heybaby that's my attitude
You don't understand why I[m acting like this
You want me to sit here and explain why
Listen I'm tired of talking
