

Never Gonna Give You Up

Barry White

(Keep on)
Come on, baby
(Keep on doin it, right on)
(Right on doin it)
You got it together
(Baby, keep on)
Oh, you got it together, baby
(Right on, keep on doin it)
I will get it baby, oh, I will get it
(My my baby, keep on)
I swear you got it together, baby(Keep on, keep on)
Whatever, whatever
Girl, Ill do
Forever and ever, yeah, yeah, yeah, yeah
Ill see you through
Ive got to keep you pleased in every way I can
Gonna give you all of me as much as you can stand Make love to you right now, thats all I want to do
I know you need it, girl and you know I need it too
Cause I found what the world is searching for
Here, right here, my dear, I dont have to look no more
And oh, my babe, I hoped and I prayed
For someone just like you to make me feel the way you do Never, never gonna give you up, Im never, ever
gonna stop
Not the way I feel about you, girl, I just cant live without you
Im never, ever gonna quit 'cause quittin just aint my stick
Im gonna stay right here with you and do all the thing you want me to Whatever you want, girl, you got
Ever, ever you need
I dont want to see you without it
Youve given me much more than words could ever say
And oh, my dear, Ill be right here until my dyin day
I dont know just how to say all the things I feel
I just know that I love you so and it give me such a thrill Cause I found what this world is searching for
Here, right here, my dear, I dont have to look no more
And all of my days, I hoped and I prayed
For someone just like you to make me feel the way you do Im never, never gonna give you up, Im never, ever
gonna stop
Stop the way I feel about you, girl, I just cant live without you
Im never, ever gonna quit 'cause quittin just aint my stick Gonna stay right here with you, do all the things you
want me to

Oh, Im never gonna give you up, Im never, ever gonna stop
All the things I feel about you, girl, I just cant live without you
Im never, ever gonna quit
