I got a blue Impala on some blue rims
When I?m stompin' in New York I wear my blue Tims
I?m a blue star, rapper not a singer
I got blue leather interior and blue Power Rangers
Blue diamonds in my grill, blue underwear
New blue socks, blue rocks in my watch
Blue Air Force Ones when I?m chillin' wit Nelly
Got girls puttin', "I love you, Baby Blue" cross they belly
Baby Blue being true for dat Baby Blue clue
Ain?t no proof getting these chickens loose on that Grey Goose
Pretty Ricky and Pitbull tellin' Miami wat they do
I?m a gangsta 4 0G
Interior sittin' on Gucci seats
I rub my cuts, my Nike?s clean
Baby Blue, Pretty Ricky man dat be me
You see, I see, you see
Baby got blue ice in my teeth
And I see, you see, we be
Crusin' 'round da block in a blue Bentley
With no chauffeur
Keeping a toasta, in a holsta
You in yo Testarossa

We crusin' in a end a coasta
