

Need

Tyrone Wells

I don't love you baby
Don't love you at all
I don't want you baby
Don't want you at all
I fear it's worse than that
I fear it's worse than that

Chorus:

I need you
Need you baby
This craving makes me crazy
I'm dying inside
Baby make up your mind
I need you
Need you baby
I'm holding on, but barely
I'm dying inside
And I cannot hide my need
I don't miss you baby
Don't miss you tonight
I don't want to hold you

Don't want to touch you just right
I fear it's worse than that
I fear it's worse than that

CHORUS

I need you
Need you baby
This craving makes me crazy
I'm dying inside
Baby make up your mind
I need you
Need you baby
I'm holding on, but barely
I'm dying inside
And I cannot hide my need
How could you just walk away
Nonchalant and unafraid
When it feels to me like you just took my soul
Chorus X2

Oh need X2
