

# What's My Name? (Re-Recorded)

DMX

This is the fuckin' shit I be talkin' about  
Half rappin' ass mothafuckers  
You think it's a game? You think it's a fuckin' game?  
Come on, uh, uh, uh  
Come on, uh, uh  
Whatcha really want  
Whatcha really want, what  
D-M-X, uh, uh  
Come on, ryde or dieAy yo, ay yo, ay yo  
What's my name?  
DMX and I be the best  
You see the rest, they lookin' like they need a rest  
One more time  
I'mma spit at you some shit  
That's gon' get at you be fuckin' with your mind  
Stop talkin' shit  
'Cause you out there runnin' your mouth  
And really don't know who you fuckin' with  
Here we go again  
How many times do I have to tell you rap niggas?  
I have no friends  
You still actin' up  
Runnin' around here like some brand new pussy that's about to get fucked  
The game don't stop  
I'm still gettin' down for whatever, whenever that's why my shit is hot  
Can't keep it real  
Now, some of us do but most of us don't, that's just how a nigga feel  
I shed blood  
For my people that'll keep you lookin' see-through  
Whenever you try to creep throughD-M-X  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want, uh, uh  
What'cha niggas wantD-M-X  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby

Ryde or die  
What'cha niggas want, uh, uh  
What'cha niggas want You still playin' games  
You gon' think it's a joke until they no longer remember your name  
That's how we do 'em  
Make cowards disappear into thin air by puttin' shit through 'em  
Never comin' back  
Last time you saw that nigga is the last time you'll see that nigga (Aight)  
No more deaths  
'Cause in a minute you gonna have grandma being the only family member left  
Bust my gun  
If I gots to kill a nigga but I'm always down for the one on one  
Dog for life  
We gon' get to the bottom of this shit if it takes all night  
Stop drop  
Open up shop (What?)  
Fake up-north niggas screamin' for the cops  
Ryde or die  
What that mean is that a tell a nigga bye-bye and pop him in his right eye D-M-X  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want, uh, uh  
What'cha niggas want D-M-X  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want, uh, uh  
What'cha niggas want Look at all these off brand niggas  
Runnin' around yappin' about they be holdin' figgas as big as Jigga's  
That's that bullshit  
Hope they know that around me talkin' about what you got will get you hit  
I'm not a nice person  
I mean I'd smack the shit out you twice dog and that's before I start cursin'  
I stay flippin'  
One minute I'm cool, the next minute I'm up on a nigga, rippin'  
That's my style  
I'm a cruddy nigga leave you all bloody nigga service with a smile  
Suck my dick  
And while you niggas that's been to jail before know it's about to get thick  
Let's get it on baby  
You gonna be goin' against 4 niggas in one and you think you crazy?  
I've lost my mind

And I'm about to make you lose yours too from far away one time (Boom)D-M-X

If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby
