

# Live a Little

## Florrie

Luckily I got a book of tricks  
Know what I gotta do to get my kicks  
Cos I've read every single page  
And I wouldn't say I'm crazy but  
If you look in my eye  
You might be surprised  
I get a little dangerous  
I get a little dangerous We gotta live a little, be naughty but nice  
Just to give a little  
A freak show show let's live a little  
I'm gonna get what I want, so give a little We gotta live a little, be naughty but nice  
Just to give a little  
A freak show show let's live a little  
I'm gonna get what I want, so give a little We're about to break  
And I don't know how much more of this  
You can take  
I wanna see the animal in you escape  
Oh can you feel the fire burning  
Through your veins  
You're about to break We gotta live a little, be naughty but nice  
Just to give a little  
A freak show show let's live a little  
I'm gonna get what I want, so give a little We gotta live a little, be naughty but nice  
Just to give a little  
A freak show show let's live a little  
I'm gonna get what I want, so give a little We're about to break  
And I don't know how much more of this  
You can take  
I wanna see the animal in you escape  
Oh can you feel the fire burning  
Through your veins  
You're about to break
