Nothin' 'Bout Love Makes Sense

LeAnn Rimes

Like a cloud full of rain shouldn't hang in the sky
Ice shouldn't burn or a bumblebee fly
If you feel so happy, then why do you cry?

Oh, nothin' 'bout love makes senseLike an ocean liner shouldn't float on the sea

A pearl in an oyster or a circus of fleas

Someone so perfect can't be fallin' for me

Oh, nothin' 'bout love makes senseNothin' 'bout love is less than confusing, you can win when you're losing Stand when you're fallin', I can't figure it out

Nothin' 'bout love can make an equation, nothin' short of amazin'

Wish I could explain it, but I don't know how The way that we dance, the reason we dream

That big Italian tower, well, how does it lean

Somethin' so strong shouldn't make me this weak

Oh, nothin' 'bout love makes senseNothin' 'bout love is less than confusing, you can win when you're losing Stand when you're fallin', I can't figure it out

Nothin' 'bout love can make an equation, nothin' short of amazin'

Wish I could explain it, but I don't know howLike the lights of Las Vegas glowin' out of the sand

A jumbo shrimp or a baby grand

How you touched my heart while you're holdin' my hand

Oh, nothin' 'bout love makes senseOh, nothin' 'bout love makes sense

Oh, nothin' 'bout love makes sense

Ooh, no no no, oh, it don't make sense
