

# That Ain't a Crime

**Julie Roberts**

I could go on out tonight and do anything I want  
I can find someone to hold me  
But I've got my reasons but reasons I don'tI know you're gone, I just can't move on  
'Cause your memory is chained to my mind  
That ain't a crimeI know I should forget you that you're no good for me  
But that doesn't mean I don't want you  
And my broken heart and my broken dreamsI know you're gone, I just can't move on  
'Cause your memory is chained to my mind  
That ain't a crimeI've tried and I've tried  
I've cried and I've cried over you, over youI know you're gone, I just can't move on  
'Cause your memory is chained to my mind  
It's there all the time, that ain't a crime
