

# Nuggets of Wisdom

## **BADBADMOTGOOD & Ghostface Killah**

From the righteous mind of the law, he powers my soul  
Teaching me positivity in the hall  
How to walk amongst the evil and smile in the face of death  
To speak knowledge and wisdom til my last breath  
I'm a humble brother, got love for another  
Body heaters wouldn't keep you warm under the covers  
Make peace not war, make babies some more  
Keep a smile when you travel from shore to shore  
Superficial, don't get sucked into the scene  
The grass ain't always green, the meat ain't always lean  
Make sure it's allowed, no pork on the fork  
No swine in the cupcake, feeling we know it's pork  
Keep your Quran handy, keep it close to your heart  
See the dumbest fall from smart  
I spark a light in the dark  
Follow me, I'ma pray til the sun shines over me  
Pray til the righteous ways is taking over me
