

# Oceans, Pt. II (Rust & Lavier Cover)

## Crywolf & Ianborg

I feel you coming on, coming into me  
Like a flood, like a breath, like a remedy  
Your touch consumes my mind  
I'm drowning in your eyes, I'm drowning in your eyes  
You're my flame, you're my drug  
I know you realize  
This was meant to be I'm in your oceans Deep in your oceans  
You're taking the air out of my chest  
You're coming strong, we're running thin  
I taste desire in your breath  
It's a bright light at the end of the world  
You're a hot fire, and your presence is heard
