You're Never Fully Dressed Without A Smile

[unknown]

Hey, America
Let's turn it up
Yeah check out ourselves
'Cause you know you're never fully dressed without a smileYour clothes may be Chanel, Gucci
Your shoes crocodile
But baby you're never fully dressed without a smileBut if you stand for nothing you'll fall for it all
We got all we need, got no more
You're never fully dressed without a smile
And if you stand for somethin' you can have it all
'Cause if is real your love will never die
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smileReady or not
Give all we've got
Yeah you can't deny
That baby you're never fully dressed without a smile
Don't sink the boat when you lose hope
I keep you alive
But baby you're never fully dressed withoutBut if you stand for nothing you'll fall for it all
We got all we need, got no more
You're never fully dressed without a smile
And if you stand for somethin' you can have it all
'Cause if is real your love will never die
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smileNow look at us
We pick it up
We set it on fire
'Cause you know you're never fully dressed without a smile
We show it out
We're playing now
We're living the life
But baby you're never fully dressed without aBut if you stand for nothing you'll fall for it all
We got all we need, got no more
You're never fully dressed without a smile
And if you stand for somethin' you can have it all
'Cause if is real your love will never die
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smile (oh oh oh oh oh, oh oh)

You're never fully dressed without a smile (oh oh oh oh oh, oh oh)
You're never fully dressed without a smile
