

Las Vegas, Nevada

Andrew W.K.

Setting the pace when you walk through the door
You're finding a place for your face on the floor
Oh, how it will turn out, you never can tell
One thing's sure, you're sure not living in hell
Well, hell, the feeling you get when you're running the game
(Las Vegas, Las Vegas)
The ceiling has cameras they know you by name
(Las Vegas, Las Vegas)
You're working the tables and they're working for you
(Las Vegas, Las Vegas)
You're like an earthquake, baby, earth shaker, it's easy to do
Unholy passion in a timeless night
You came to win
Who can resist the sin
In Las Vegas, Las Vegas, yeah, yeah
Oh well, now, you're putting your feet up
You're turning the heat up
A high-stakes dealer with a high-card hand up
You're letting it ride and letting it roll, let it roll, let it roll
My heart is pounding in my chest
I can't believe I'm here
I cannot believe it
(I cannot believe it)
I cannot believe it
(I cannot believe it)
I cannot believe it
(I cannot believe it)
What's not to believe in Las Vegas?
Las Vegas, Nevada
Las Vegas, Nevada
Las Vegas
1, 2, 3, 4
Well, you're putting your feet up
You're turning the heat up
You're letting it ride and you're letting it roll
Las Vegas
