Alive Again (feat. Emma Hewitt)

3LAU

Always I've known that you were there
I only had to find out where
We have our own ways
Our own signs to follow
With different roads that lead us homeAnd I feel you close
I'm alive again
And it seems like home
This is where the rainbow ends
And I feel you close
This is where the rainbow ends
And it seems like home
This is where the rainbow ends
And I feel you closeFootsteps I follow to your door
We don't need to talk anymore
We have the same heart
The same mind, the same souls
The distant lights will lead us onI feel you close
I'm alive again
And it seems like home
This is where the rainbow ends
This is where we are now
This is where the rainbow ends
I feel you close
I'm alive again
And it seems like home
This is where the rainbow ends
