

# Do You Really Want to Know Me

[Alannah Myles](#)

Do you really wanna know me?  
Do you care what's inside?  
Can you ever really show me?  
There's no secrets I must hide If I bare my soul, can you accept it all?  
My darkest corner's safe behind a wall  
Do you really wanna know me at all? I can't accept the pain  
My brain screams like a runaway train  
Trying to keep my heart on track  
The embers turned to flame and I want you back But I can't trust a memory  
I can't trust a memory  
No, I can't trust me Do you really wanna know me?  
Do you know what makes me smile?  
Can you ever really promise me?  
This time it's not a lie I'll believe it's true  
When you're standin' at my door  
I'm always here for you  
And I'll open it once more Do you really wanna know me?  
Do you really wanna know me at all?  
Do you really wanna know me?  
Do you really wanna know me at all? Do you really wanna know me?  
Do you really wanna know me at all?
