

# Somebody's Watching Me

[Anna Waronker](#)

I'm an average man  
with an average life  
i work from nine to five  
and how I pay the price  
I just wanna be left alone  
in my average home.  
but what do I always feel  
Like I'm in the twilight all night

I always feel like somebody's watching me  
and I have no privacy.

I always feel like somebody's watching me  
Tell me is it just a dream.

When I can home at night  
I pulled the door on tide  
People call me on the phone  
I'm trying to avoid.  
But can the people on tv  
see me or I just are paranoid

When I'm in the shower I'm afraid to wash my hair.  
Cause I might open my eyes and find someone standing there.  
People say I'm crazy I'm just a little touched.  
but Maybe shouts remind me of cyclo too much cause

I always feel like somebody's watching me  
and I have no privacy.  
I always feel like somebody's watching me  
Tell me that it's just a dream.

I always feel like somebody's watching me  
and I have no privacy.  
I always feel like somebody's watching me  
and I just wanna trick someone.
