Taking Me Over

Evanescence

You don't remember me but I remember you
I lie awake and try so hard not to think of you
But who can decide what they dream?
And dream I doI believe in you
I'll give up everything just to find you
I have to be with you, to live, to breath
You're taking over meHave you forgotten, all I know and all we have?
You saw me mourning, my love for you
And touched my hand
I knew you loved me thenI believe in you
I'll give up everything just to find you
I have to be with you, to live, to breath
You're taking over meI look in the mirror and see your face
If I look deep enough
So many things inside
That just like you are taking overI believe in you
I'll give up everything just to find you
I have to be with you, to live, to breath
You're taking over meI believe in you
I'll give up everything just to find you
I have to be with you, to live, to breath
You're taking over meTaking over me
You're taking over me
Taking over me
Taking over me
