

Dark Lady

Burning Saviours

The fortune queen of New Orleans
Was brushing her cat in her black limousine
 On the back seat were scratches
 From the marks of men
 Her fortune she had won
 Couldn't see through the tinted glass
She said, "Home James" and he hit the gas
 I followed her to some darkened room
 She took my money, she said,
 "I'll be with you soon"

[Chorus]
Dark lady laughed and danced
 And lit the candles one by one
 Danced to her gypsy music
 Till her brew was done
 Dark lady played black magic
Till the clock struck on the twelve
 She told me more about me
 Than I knew myself

She dealt two cards, a queen and a three
 And mumbled some words
 That were so strange to me
 Then she turned up a two-eyed jack
 My eyes saw red but the card
 Still stayed black
She said the man you love is secretly true
To someone else who is very close to you
 My advice is that you leave this place
 Never come back and forget
 You ever saw my face

[Chorus]

So I ran home and crawled in my bed
 I couldn't sleep
 Because of all the things she said
 Then I remembered her strange perfume
 And how I smelled it once in my own room

So I sneaked back
And caught her with my man
Laughing and kissing
Till they saw the gun in my hand
The next thing I knew
They were dead on the floor
Dark lady would never
Turn a card up anymore

[Chorus]
