Good Thing

Fine Young Cannibals

The one good thing
In my life
Has gone away
I don't know why
She's gone away
I don't know where
Somewhere i can't follow her
The one good thing didn't stay too long
Woo who who who
My back was turned and she was gone
Hey hey hey

Good thing
Where have you gone
Doo doo doobie doo
My good thing
You've been gone too long
Good thing
Doo doo doobie doo

People say i should forget
There's plenty more don't get upset
Don't get upset
People say she's doing fine
Mutual friends i see sometime

That's not what i want to hear
Woo who who who
I want to hear she wants me near

Good thing
Where have you gone
Doo doo doobie doo
My good thing
You've been gone too long
Good thing
Doo doo doobie doo
Good thing

Then one day

She came back
I was so happy that i didn't ask
Morning came
Hey hey hey hey
Into my room
Woo who who who
Caught me dreaming like a fool

Good thing
My good thing
Doo doo doobie doo
My my my my good thing
Where have you gone
Good thing
Doo doo doobie doo
My good thing
Hey hey my good thing
Doo doo doobie doo good thing

Girl
Where have you gone
Good thing
Doo doo doobie doo good thing
It's been so long
You're gone again
Doo doo doobie doo good thing
Good good girl
Good good girl
Good thing
Doo doo doobie doo good thing
Good good
Doo doo doobie doo good thing
Good good
