Train, Train

Young Lords

Train, train
Gonna take him on out of this town
Train, train
Gonna take him on out of this town
Yea, that man I'm in love with
Lord, he's Memphis boundHe's leavin' here
Like a raggedy hobo
Oh, he's leavin' me
That no good so and so
Yea, that man I'm in love with
Lord, he wants to go
Let him go
Ooh, hooGoodbye, goodbye
I'll find myself another man
Good bye, good bye
I'll find myself another man
You take that night train to Memphis
Me, I'll make new plans
Take that night train to Memphis
Oh leave while you can
Ooh, hoo
Ooh hoo, hoo hoo, hoo, hoo
Ooh
