

# Million Reasons

## Lady Gaga

[Verse 1]

You're giving me a million reasons to let you go  
You're giving me a million reasons to quit the show

You're givin' me a million reasons

Give me a million reasons

Givin' me a million reasons

About a million reasons If I had a highway, I would run for the hills

If you could find a dry way, I'd forever be still

But you're giving me a million reasons

Give me a million reasons

Givin' me a million reasons

About a million reasons [Chorus]

I bow down to pray

I try to make the worst seem better

Lord, show me the way

To cut through all his worn out leather

I've got a hundred million reasons to walk away

But baby, I just need one good one to stay [Verse 2]

Head stuck in a cycle, I look off and I stare

It's like that I've stopped breathing, but completely aware

'Cause you're giving me a million reasons

Give me a million reasons

Givin' me a million reasons

About a million reasons And if you say something that you might even mean

It's hard to even fathom which parts I should believe

'Cause you're giving me a million reasons

Give me a million reasons

Givin' me a million reasons

About a million reasons [Chorus]

I bow down to pray

I try to make the worst seem better

Lord, show me the way

To cut through all his worn out leather

I've got a hundred million reasons to walk away

But baby, I just need one good one to stay [Bridge]

Hey, ehh, ehh, eyy

Baby I'm bleedin', bleedin'

Stay, ehh, ehhy

Can't you give me what I'm needin', needin'

Every heartbreak makes it hard to keep the faith  
But baby, I just need one good one  
Good one, good one, good one, good one, good one[Chorus]  
When I bow down to pray  
I try to make the worst seem better  
Lord, show me the way  
To cut through all his worn out leather  
I've got a hundred million reasons to walk away  
But baby, I just need one good one, good one  
Tell me that you'll be the good one, good one  
Baby, I just need one good one to stay
