

# House Keeper

Jerry Aseret

In the mornin  
I can fix breakfast, baby  
Get you ready for work  
Let me be your house keeper, girl  
In the evenin  
I can get your bath water ready  
Show your what you're worth  
Let me be your house keeper, girl  
How would you feel about it, lady, to be treated like a queen  
I wouldn't hesitate to give you anything you need  
Cook you dinner, wash your clothes, give you a bath before you sleep  
I'm at your mercy, yeah, pretty lady, can't you see  
In the mornin  
I can fix breakfast, baby (Yeah)  
Get you ready for work  
Let me be your house keeper, girl  
(Let me be your house keeper, girl, I qualify, I qualify, baby)  
In the evenin  
I can get your bath water ready  
Show your what you're worth (Let me show you)  
Let me be your house keeper, girl (Baby)  
They say the man is supposed to be workin while the lady stays at home  
I say a man really loves his woman when he's not afraid to show  
How much he cares for her like I care for you and I love you, too  
won't you let me show you, girl, I'll do it over and over  
In the mornin  
I can fix breakfast, baby {Oh, yeah}  
Get you ready for work {Let me be}  
Let me be your house keeper, girl {I want to be your house keeper, baby}  
In the evenin  
{Oh} I can get your bath water ready {Yeah}  
Show your what you're worth { Let me be your house keeper}  
Let me be your house keeper, girl (Let me take good care of you, baby, girl, yeah)  
I don't believe you hear me when I say  
I'd rather stay in the house  
When you come home from work  
Let me show you what you deserve  
And I'll give you all my time  
To you I'll give my life

And I'll give you everything you need  
 Anything you ask of me, oh...oh...  
 Oh...  
 Mmm, yeah  
 Yeah, yeah, yeah, yeah  
 Whoa...ho...ooh...  
 Baby, I qualify, I qualify  
 In the mornin  
 I can fix breakfast, baby {Oh, yeah}  
 Get you ready for work {Just let me be}  
 Let me be your house keeper, girl {I want to be}  
 In the evenin  
 I can {Your house keeper} get your bath water ready  
 Show your what you're worth {Let me show you}  
 Let me be your house keeper, girl  
 Let me be your house keeper, girl {Baby, I qualify}  
 In the mornin {Oh, mmm}  
 I can fix breakfast, baby  
 Get you ready for work {Let me get you ready for work}  
 Let me be your house keeper, girl {I'll cook and clean, I'll even do the windows}  
 In the evenin  
 {Make this house a home}  
 Show your what you're worth {I'll never let you be alone, no}  
 Let me be your house keeper, girl {Ah, yeah}  
 Let me be your house keeper, girl {Let me be your house keeper }  
 In the mornin {Oh...oh...yeah}  
 I can fix breakfast, baby {Give me a 9 to 5}  
 Get you ready for work  
 Let me be your house keeper, girl  
 {I'm workin for you, baby, I'm workin for you, baby, oh...oh...ooh...ooh...}  
 In the evenin {Cook and clean}  
 {I'll even be your sex machine, ho...ho...}  
 Show your what you're worth  
 Let me be your house keeper, girl { Let me be your house and home cleaner}  
 Let me be your house keeper, girl {Ho...ho...ho...ho...ho...ho}
