Glad You Came

Timeflies

The sun goes down
The stars come out
And all that counts
Is here and now
My universe will never be the same
I'm glad you came

You cast a spell on me, spell on me
You hit me like the sky fell on me, fell on me
And I decided you look well on me, well on me
So let's go somewhere no-one else can see, you and me

Turn the lights out now
Now I'll take you by the hand
Hand you another drink
Drink it if you can
Can you spend a little time,
Time is slipping away,
Away from us so stay,
Stay with me I can make,
Make you glad you came

The sun goes down
The stars come out
And all that counts
Is here and now
My universe will never be the same
I'm glad you came
I'm glad you came

You cast a spell on me, spell on me
You hit me like the sky fell on me, fell on me
And I decided you look well on me, well on me
So let's go somewhere no-one else can see, you and me

Turn the lights out now
Now I'll take you by the hand
Hand you another drink
Drink it if you can
Can you spend a little time,

Time is slipping away,
Away from us so stay,
Stay with me I can make,
Make you glad you came

The sun goes down
The stars come out
And all that counts
Is here and now
My universe will never be the same
I'm glad you came
I'm glad you came

I'm glad you came
I'm glad you came
I'm glad you came

The sun goes down
The stars come out
And all that counts
Is here and now
My universe will never be the same
I'm glad you came
I'm glad you came
