

## Bloco Quanta Ladeira

Well, its trapped up inside you  
Theres no peace, theres no hope  
When its trapped up inside you Well, come this way  
Come this way now  
Your position is weakening  
Your position is gone Well, it doesnt even matter  
What youre thinking  
It doesnt matter at all When, its trapped up inside you  
Theres no peace, theres no hope  
When its trapped up inside you Well, come this way  
Come this way now  
Your opinions are changing  
Your opinions not sound, no It doesnt even matter  
What the truth is  
All that matter is now When, its trapped up inside you  
Theres no peace, theres no hope  
When its trapped up inside you Well, come this way  
Come this way, now  
Youre selling yourself, youre cold  
Youre selling yourself at 27 years old Well, its trapped up inside you  
Theres no peace, theres no hope  
When its trapped up inside you  
Theres no peace, theres no hope Well, come this way  
Come this way now  
Youre selling yourself, youre cold  
Youre selling yourself at 27
