

I'm Sorry

Akon

yyeeaaahhhhh yyeeaaahhhhh

oooohh oohh ohhh ohh ohh ohh ohh

oooohh oohh ohhh ohh ohh ohh ohh ooh

Morning comes and you're not lying next to me (lying next to me no)

its afternoon and still i havent heard from you (havent heard from you no)

every night im hit, i realize that you've gone away (that you've gone away)(away)

lonely kicks in my head start spinning thinking how did i let you get away (aah)

i just wanna tell you that i made a mistake

you ae the perfect women how'd i push you away

don't know what i was thinking must be out of my mind

i know i messed up this time

For the record i'm sorry, for your feeling unappreciated from me always being busy for not giving my time

i'm sorry, for the trouble that i givin for the way that ive been living sneaking with other women

i'm sorry, if you take me back i'll never lie

i'm sorry, if you take me back i'll never make you cry

i'm sorry, if you take me back i promise i'll try

i'm sorry, girl i apologize

i never saw it coming, really thought that you needed me

oh i was so wrong, oh now i'm so gone,

oh now you know im gone (oh oh, oh oh, oh oh)

so now i can't sleep, now i can't eat, feeling all weak, wait can we speak

i'm leaving all these messages, i just wanna tell you that i miss you and i need you back (yeaahhh)

i just wanna tell you that i made a mistake (ooh yeaahh)

you are the perfect women how to push you away (aah aah)

don't know what I was thinking must be out of my mind(aah)

i know i messed up this time

For the record i'm sorry, for your feeling non appreciated from me i was being busy for not giving my time

i'm sorry, for the trouble that i givin for the way that ive been living sneaking with other women

i'm sorry, if you take me back i'll never lie

i'm sorry, if you take me back i'll never make you cry

i'm sorry, if you take me back i promise i'll try

i'm sorry, girl i apologize

yeaahh ...oohh yeaahhh ...aah aah .. yyeeaaahhh
