Only The Lonely Talkin'

Danielle Peck

Your baby blues
Looking at me tonight
In a brand new light
What a surprise
Was a time when I would have given anything
For you to look at me this way
But as your friend I've got to say
Maybe we should wait
When you say you're over her
I want to believe it
But we both know it's
[Chorus:]Only the lonley talkin'
Wanting
Me to keep on holding you this way
Baby
You know i want to
But I've got to be sure
It's not only the lonely talkin'
It would be easy for me
To lie in your arms tonight
Oh but in the morning light
Would it be right
Cause I want all of you

Not just a part of you
So tell me is it
[Chorus:]Only the lonley talkin'
Wanting
Me to keep on holding you this way
Baby
You know i want to
But I've got to be sure
It's not only the lonely talkin'
Baby we've got time
To make this thing right
But right here, right now
Tonight... it's
[Chorus:]Only the lonley talkin'
Wanting

Me to keep on holding you this way
Baby
You know i want to
But I've got to be sure
It's not only the lonely talkin'
