

Smile (East & Young Remix) [Radio Mix]

[Galantis](#)

Smile
Show me where it hurts
Cause you ain't got nothing to worry about
I said smile
No matter what you heard
There's a paler of shade of grey my friend
So smile
Cause you ain't got nothing to worry about
Anything at all
You don't know anything at all So smile
Cause you ain't got nothing to worry about
About anything at all
You don't know anything at all Smile
Cause you ain't got nothing to worry about
About anything at all
You don't know anything at all Smile
I said smile
Smile
I said smile
Smile So smile
Cause you ain't got nothing to worry about
Anything at all
You don't know anything at all
Smile
Cause you ain't got nothing to worry about
Anything at all
You don't know anything at all So smile
Smile
I said smile
Smile
I said smile
