

# Head To Toe

## Sean Paul

Don't pretend you don't need me, daily, monthly and weekly  
Sean da Paul, pon the girl them, intermediately, weh me sey, dutty yea  
Don Corleone, deh ya fi make the girl ride pon the pony  
Sean Paul no phony, hear me tell the girl them say My girl, from head to toe you finesse, Jah Jah bless you with  
would a  
Mash up man head to toe, most naturally  
Anytime me want it, girl, just gimme the pre  
I'll set you free, I give you my love and you know it's guaranteed  
I got what you need, believe in you and me Girl, you physique a speak  
And if a talk you a talk it make man heart beat  
When you out a street  
The walk wey you walk make this world look counterfeit 'Cause you no incomplete  
Everything weh you got on sexy, everything look neat  
We can feel the heat  
I guy must be blind if him haffi look hard fi see it 'Cause from you set on, me ready fi go put on the sweat on  
Gal, 'cause you body it a beckon  
Every minute every second me turn on the threat on  
Gal, you goin' get wet on Just ease you mind up one time  
Flex tonight because it's not a crime  
Relax you vibe because hype we no join  
Gal, bubble when you feel the bass line, 'cause From head to toe, you finesse, Jah Jah bless you with  
Would a mash up man head to toe, most naturally  
Anytime me want it, girl, just gimme the pre  
I'll set you free, I give you my love and you know it's guaranteed  
I got what you need, believe in you and me Girl, come roll with we  
If you man a pose up like him just don't know how fi do it  
Him lack energy  
Him nah work you right, never work it fi you properly And give you memories  
Inna di bathroom, sofa, hammock up between the trees  
Up in the evening breeze  
'Cmon baby girl, this is not a good time fi tease So off let it, you will not forget it  
Sean a Paul a youth wey naw go pamper nor pet it  
Pump it hard but no me naw offset it  
Nuff how fi turn it don't fret it Girl, just ease you mind up one time  
Flex tonight because it's not a crime  
Relax you vibe because hype we no join  
Gal, bubble now to the bass line, 'cause From head to toe you finesse, Jah Jah bless you with would a
