

The Last Laugh of the Laughter

Travis

When the laughter fades away
Ma vie
Toute ma vie When there's nothing more to say
Ma vie
My ohh, my It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie When the spotlight drifts away
Ma vie
C'est la vie When the blue sky turns to gray
Ma vie
My ohh, my It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie When the laughter fades away
Ma vie
Toute ma vie When there's nothing more to say
Ma vie
My ohh, my It's the last laugh of the laughter
Sur la derniere page du chapitre
On the last day of the year
Ma vie
Toute ma vie Ma vie
My oh my
