Advisory - the following lyrics contain explicit language:

You, It's for you
Only you, It's for you I'll never know, I'll never care
I'll never believe my people
I'll tell you what I say
I'll never lie, I'll never try
I'll never cry for you people
I'll push you, Push you away As you lonely people
Keep on runnin', 'Round my door
Yes you lonely people
Keep on beggin', Beg for more And I'll cry for you, As I die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Feel in my heart, It's for you
It's for you I'll never try, I'll never die
I'll never push for you people
I'll tell you how I feel
I'll never lie, I'll never cry
I'll never try for you people
I'll tell you, Yes it's real And you lonely people
Keep on passin' time away
Yes you lonely people keep on passin'
Pass away And I'll cry for you, As I die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Feel in my heart, It's for you And I'll take everything as it comes my way
Pushin' your pain 'round my door
And I cry for you, As I die for you
Is this blood on my hands all for you? You shiver and shudder
Recovers your mother
You feel it take control
In your soul Come around town, Steal another dime
Take another line

Won't you feel it blanket your soul
Out of mind?
Come around town, Steal another dime
Do another crime
Won't you get it higher and higher
I don't want it no more
And it's mine
Said this pain in my heart is all mine
Yes it's mine, All alone Oh, I don't want it no more
I don't want it no more
And it's mine, On my own
Yes it's mine, All alone As I cry for you, Yes I die for you
Pain in my heart it is real
And I'll take everything as it comes my way
Feel in my heart, It's for you And I'll lie for you, As I die for you
Pain in my heart it is real
And I'll tell you now how I feel inside
Pain in my heart, It's for you.
