

Labrador

Pez

Daisy, you
Shouldn't do the things you do
But you're just so incapable of changing.
You lie so well.
I could never even tell
What were facts, in your art for rearranging.
But I came back for more
And you laughed in my face and you rubbed it in.
Cause I'm a Labrador
And I run when the gun drops the dove again
When we first met, I was glad to be your pet
Like a Lab I once had that we called Maisey
But fetching sticks
Was the best I had for tricks
You got bored, you got mad then you got crazy.
But I came back for more
And you laughed in my face and you rubbed it in
Cause I'm a Labrador,
And I run when the gun drops the dove again

Daisy, Daisy, give me your answer.
Daisy, Daisy, do.
Remember good old Maisey? how she waited at the stairs for you.
Daisy, Dear, I could almost shed a tear
But let's shine, in the time we have remaining
You're a tough old gal, but a dog is just a pal
And believe me, my dear, I'm not complaining
Cause I came back for more
Cause I knew even you did
The best you could.
I'm a Labrador, and it's me who could see
It was understood
I come back for more
Daisy, Daisy, do.
Cause I'm a Labrador.
Yeah I come back for more.
What a Labrador.
Do, do, do, do, do, do, do.
