

# Why Can't We Live Together

Joan Osborne

Tell me why, tell me why, tell me why  
Why can't we live together?  
Tell me why, tell me why  
Why can't we live together?  
Everybody wants to live together  
Why can't we be together?  
No more war, no more war, no more war  
Just a little peace  
No more war, no more war  
All we want is some peace in this world  
Everybody wants to live together  
Why can't we be together?  
No matter, no matter what color  
You are still my brother  
I said no matter, no matter what color  
You are still my brother  
Everybody wants to live together  
Why can't we be together?  
Everybody wants to live  
Everybody's got to be together  
Everybody wants to live  
Everybody's going to be together  
Everybody's got to be together  
Everybody wants to be together  
I said no matter, no matter what color  
You're still my brother  
I said no matter, no matter what color  
You're still my brother  
Everybody wants to live together  
Why can't we be together?  
Gotta live together  
Together
