## Why Can't We Live Together

## Joan Osborne

Tell me why, tell me why, tell me why Why can't we live together? Tell me why, tell me why Why can't we live together? Everybody wants to live together Why can't we be together? No more war, no more war, no more war Just a little peace No more war, no more war All we want is some peace in this world Everybody wants to live together Why can't we be together? No matter, no matter what color You are still my brother I said no matter, no matter what color You are still my brother Everybody wants to live together Why can't we be together? Everybody wants to live Everybody's got to be together Everybody wants to live Everybody's going to be together Everybody's got to be together Everybody wants to be together I said no matter, no matter what color You're still my brother I said no matter, no matter what color You're still my brother Everybody wants to live together Why can't we be together? Gotta live together Together
