

# Phil Da Agony Interlude

## Dilated Peoples

Told y'all down with dilated motherfuckers  
Phil Da Agony break your crew, any problems? Yeah, yeah, bones full of agony, skin full of melanin'  
Go ahead, tell a friend we back at it again  
Randomly I aim to cap a wack rappin' head off  
Decapitate a rappin' head off you're better off Sucked off twice in the same night  
You know my style right, you know my large appetite  
Brand new, keep it spank, keep a bag of dank, keep it top rank  
Keep all my money in the bank Money market mutual funds, investments for my son  
Expanding the team and gettin' it done  
World champions shit, Los Angeles lyrics  
Bitch don't act shocked when you hear it
