

Wishing Well

Blackfoot

Take off your hat and kick off your shoes
I know you aint goin anywhere
Run round the town, singin your blues
I know you aint goin anywhere Youve always been a good friend of mine
But youre always sayin farewell
And the only time that youre satisfied
Is when your feet in the wishing well Oh, yeah Throw down your gun, you might shoot yourself
Or is that what youre tryin to do?
Put up a fight you believe to be right
And someday the sun will shine through Youve always got something to hide
Something you just cant tell
And the only time that youre satisfied
Is when your feet's in the wishin well But I know what youre wishin for
Love in a peaceful world, oh yeah
Love in a peaceful world, oh yeah
Love in a peaceful world Youve always been a good friend of mine
But youre always sayin farewell
And the only time that youre satisfied
Is when your feet in the wishing well Oh yes, my God
Everybody has a dream, yeah
Everybody has a wish
Wishing well
