

# The Cloud Song

## Meiko

I'm in my cloud  
No one can stop me  
I'm higher than the tops of the trees  
I am higher than the bird and the bees  
Totally comfortable  
Everything's beautiful  
I'm fine and I don't worry anymore  
This time I'm locked out of them beforeChorus:  
Hey~ eh~ eh~ I'm okay eh~ eh~  
If I stay eh~ eh~ way up hereI'm in my cloud  
I can feel the sunshine  
It's hotter here and I don't mind  
I've got myself and my piece of mind  
I'm totally comfortable  
Everything's beautiful  
I'm fine and I don't worry anymore  
This time I'm locked out of them beforeChorus:  
Hey~ eh~ eh~ I'm okay eh~ eh~  
If I stay eh~ eh~ way up hereDu du du du du duI need this room to breathe  
I promise I will come down soon X2Du du du du du duI'm in my cloud  
No one can stop me  
I'm higher than the tops of the trees  
I am higher than the bird and the bees
