

# This Christmas

## All 4 One

Hang all the mistletoe  
I'm gonna get to know you better  
This Christmas  
And as I trim the tree  
How fun it's gonna together  
Oh, this Christmas  
The fire side is blazing bright  
And we're carolin' through the night  
And this Christmas  
Will be a very special Christmas for me  
Presents and cards are here  
My world is filled with cheer and you  
Yea, this Christmas  
And as I look around  
Your eyes outshine the town, they do  
Yea, this Christmas  
Fire side is blazing bright  
And we're carolin' through the night  
And this Christmas  
Will be a very special Christmas for me  
Oh, fire side is blazing bright  
And we're carolin' through the night  
And this Christmas  
Will be a very special Christmas for me  
Hang all the mistletoe  
I'm gonna get to know you better  
Yea, this Christmas  
And as I trim the tree  
How fun it's gonna be together  
Oh, this Christmas  
Oh, the fire side is blazing bright  
And we're carolin' through the night  
And this Christmas  
Will be a very special Christmas for me  
Jingle bells, jingle bells  
A little route off the red nose reindeer  
Dashing through the snow  
Askin' the snowman, joy to the world  
It was a silent night, it was a holy night

Ah when I'm angel  
This Christmas, this Christmas  
This Christmas, this Christmas  
Oh yea  
This Christmas, this Christmas  
This Christmas, this Christmas  
The fire side is blazing bright  
This Christmas  
Carolyn' all through the night  
This Christmas  
Come be with me tonight  
This Christmas  
Yea, yea  
This Christmas  
This Christmas  
This Christmas  
This Christmas
