

Fine China

Chris Brown

[Intro:]

Owww

Ho

Owww[Verse 1:]

Baby, does he do it for ya?

When hes finished does he step back and adore ya?

I just gotta know

Cause ya time is money and I wont let him waste it

Oh no noooo

Baby just go with it

Cause when your with me I cant explain it

Its just different

We can take it slow

Or act like your my girl

Lets skip the basics, whoa[Chorus:]

Hes so replaceable

You're worth the chase, you're putting on

Its alright, I'm not dangerous

When you're mine I'll be generous

You're irreplaceable

A collectible

Just like fine china[Verse 2:]

Baby, you're my favorite

Its like all the girls around me, dont have faces

And the saying goes,

Life if just a game but I'm not playin'[Chorus:] (2x)

Hes so replaceable

You're worth the chase, you're good enough

Its alright, I'm not dangerous

When you're mine I'll be generous

You're irreplaceable

A collectible

Just like fine china[Verse 3:]

Took me awhile to find your love

Ain't no amount of time in this world

Save me a lot of time and just love me

Feel it, baby, feel it in your soul

Are you ready?

I know your heart been telling you, you belong to me

I kno kno know[Chorus:]
Its alright, I'm not dangerous
When you're mine, I'll be generous
You're irreplaceable
A collectible
Just like fine china
