

# Bones

## Gob

I've been through here many times  
But you've locked the door, you wanted more  
Should have seen this coming  
My picture's off the wall, with no phone call  
Bones and broken homes  
Bones and broken homes  
I've been through here many times  
But the path is gone, there's something wrong  
Didn't leave a letter  
When you wrote me off with no phone call  
Bones and broken homes  
(No where to lie down)  
Bones and broken homes  
(Just rest my eyes now)  
Bones and broken homes  
(I'll be alright, yeah)  
Bones and broken homes  
(Yeah)  
I've been through here many times  
I've been through here many times  
I've been through here many times  
I've been through here many times  
I've been through here many times  
I've been through here many times  
Bones and broken homes  
(No where to lie down)  
Bones and broken homes  
(Just rest my eyes now)  
Bones and broken homes  
(I'll be alright, yeah)  
Bones and broken homes  
Bones and broken homes
